June 25th. 1998

Dear Mr Price,

When I was at the factory the other Friday you mentioned you were collating information for a possible article on Dr Jurek. I checked my files when I got home and found a March, 1986 article in Target Gun and an August, 1971 Small Arms Profile with references to his work at Webley and Scott. I hope the enclosed photocopies may be of interest.

Yours sincerely,

John Lees
